

BIG GAME RIGS AND HOOKS

- Mustads heavy artillery

Mustad Big game hooks are extreme fishing instruments built to support you in the roughest conditions when fishing for beautiful creatures like marlin, swordfish, tuna and sharks. Mustad Big Game Stainless Steel hooks are made from Stainless Steel 716 (AISI 420), electro-polished and equipped with the razor sharp Mustad Knife Edge Point. They are forged to increase the strength even further, making Mustad Big Game hooks the strongest there is! Mustad Big Game hooks have a reputation among the world's big game anglers of being sharp, strong and reliable. It is this reputation that has enabled Mustad to be the best-selling big game hook in the world for more than a century.

Now the Big Game range has been completed with Big Game Rigs. The pre-chained Mustad hooks form a perfect deadly tool to rig large octopus and konas. The chains are also in stainless steel for the best corrosion resistance. A glowing plastic thimble protects your nylon or wire loop.
